THE 'FIESTA PARDA' CONCEPT

The Fiesta Parda is not a simple DJ session. It is a musical concept designed to induce wild dancing and pure joy. They are a multicultural rhythmic melting pot, full of crazy versions that will make you move and go wild. In Dj Morraiko's sets, rhythms of Cumbia, Balkan Music, Ska, Dancehall, Kuduro and Rumba are mixed. The result is a live show loaded with festive energy that connects immediately with all kinds of audiences, from alternative rock festivals to cultural and social cohesion events.

With more than a decade electrifying the stages of Extremadura, Castilla, Galicia and Portugal, DJ Morraiko represents a generation of artists who brilliantly unite the local and the global, combining tradition and modernity.
